## The Knockerdown Inn & Restaurant

The Knockerdown Inn dates from the 17th Century and is set in its own picturesque grounds overlooking Carsington Water.

The present owners have been established here since 1996, and, over the years, their hard work to become 'the' Family Pub, has accumulated an impressive number of awards. These awards, displayed in the restaurant, range from 'UK Family Pub of the Year', 'Children's Food Pub of the Year', 'Country Pub of the Year', 'Garden and Floral Display of the Year' to 'Pub of the Year', not to mention the numerous times they have been finalists in awards that have been nationwide.

This friendly pub has everything the local and visitor could wish for and is open all day in the summer and for lunch and evenings in the winter.

There is a superb restaurant and annexe along with the bar, and the extensive menu caters for most tastes including vegetarians and is complemented by daily 'Specials'. There is a separate Hillbilly Young Diners Menu for the younger visitor.

The many facilities at the Knockerdown include wheelchair access, disabled toilets, highchairs and baby changing room.

Outside are award winning gardens with a large patio and pond area, ample seating and a brilliant children's adventure playground with a separate under 5s area. There are a variety of animals from an adorable family of donkeys to a mischievous family of goats.

In addition there is a large car park with an overflow area for busier days.

Caravan and Camping Available.

Coaches catered for - please ask for details.
